We are still a pretty small company so the only marketing we do is in the retail establishments that sell our products and through word of mouth. So if you like our Products we hope you'll tell all your friends and family about them and ask them to join our mailing list at

<http://www.600lbgorillas.com/contact.html>

We won't clog up the inbox, we only send out emails to let people know of new distribution and upcoming sales!

Also please ask your "Friends" to "Like" us on Facebook
